### NICOLE - Groomer

"Hi!! My name is Nicole and I'm the groomer here at Clawington. My passion has always been with animals and expressing creativity. About 2 1/2 years ago I got certified as a dog groomer, and continued my training with other various skilled and knowledgeable groomers. Expressing creativity through your pups' grooms is the best gift I could ever ask for.

So bring your fur babies down to Clawington and I can guarantee they will leave feeling and looking fabulous!"

Make a reservation with Nicole for a luxurious, pampering experience that your fur baby will love!

### Meet CALLIE

The PCA's love it when Callie comes to board. She is such a sweetheart. She loves getting her cuddle time in with anyone that will stop and say hello to her. Callie loves to bunch up her blankets in her suite and pile on top of them to sleep. She enjoys strolling around the yard with a PCA, and getting neck scratches.
