Meet Teddy

This adorable pup is stealing hearts with his sweet disposition and playful personality! Despite being small to medium-sized, Teddy is a BIG bundle of love and energy, always eager to play with his furry friends - even the ones TWICE his size! What makes Teddy truly special is his gentle nature and affectionate personality. This good boy will shower you with sloppy kisses and snuggles, melting your heart in an instant!

Boarding Helpful Tips

We're so excited to welcome your furry friend to our boarding facility – it's like a vacation for them too! To make things as easy and cozy as possible, **we provide all the essentials for a comfortable stay:** Comfy beds and blankets, bowls and specialty feeders (yep, even the fancy ones!). So you can leave those at home.

All you need to bring are: A small comfort item – like a favorite toy or blankie to remind them of home, Their food – portioned into individual baggies for each meal (so we get it just right!) **Pro tip:** Please pack an extra portion or two, just in case of emergencies or an unexpected extended stay. Better safe than sorry!

Important: Please label all belongings clearly with your pet's name – it helps us keep track of their stuff and avoid any mix-ups in our tail-wagging crowd.

We can't wait to pamper your pet and give them the best boarding experience ever. Thanks for trusting us with your four-legged family member! Pickup and drop off for boarding starts at 8:00am and ends at 5:00 pm.
